EASY ACCESS TO THE HEART OF BELGIUM

Located just off the prestigious Avenue Louise, close to the Sablon district and its nightlife, and walking distance from the vibrant Flagey and Châtelain areas, Four points by Sheraton Brussels features inviting guest rooms and local dining venues for a comfortable stay in the capital of Europe.

Comfort and productivity Our 128 Rooms feature the Four Points by Sheraton signature bed for a comfortable night's sleep and an ergonomic desk for a productive stay. Essentials such as complimentary WiFi and access to the Fitness are included in all rooms and many afford views over the quiet hotel garden. Upgrade to a Deluxe Room to benefit from even more extras such as more space and a Nespresso machine in your room.

Belgian culinary experiences Step into the world of cycling in Bar Velo and experience fresh local craft beers from microbreweries around Belgium, whose beer culture was inscribed on UNESCO's List of the Intangible Cultural Heritage of Humanity in 2016. Take a visit to Root Market restaurant which brings you simple, authentic Belgian cuisine inspired by the vibrant food market scene of the city. Dishes are prepared right in front of you in the open kitchen, using the freshest products sourced locally.

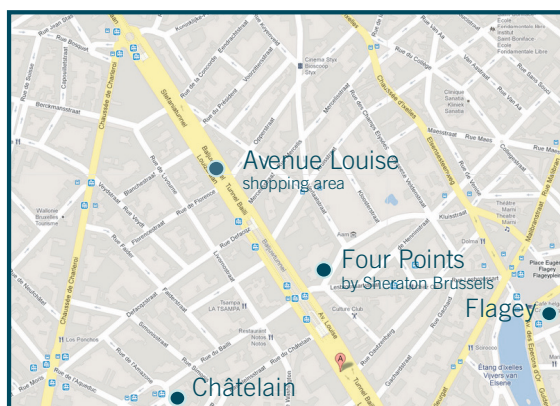

Inspiring meeting spaces With three meeting rooms, we offer space for events. Creativity flows freely in Mathilde and Brel, our two meeting rooms inspired by Belgian music icon Jacques Brel. Both are conveniently located next to Bar Velo, perfect for unique meeting breaks. Our largest meeting space Louise is located on the lower ground floor in a quiet area, complete with its own breakout space. When weather permits, our wonderful garden is the ideal place to relax in between meetings.
